6. The request procedure

6.1 Form of request

- 6.1.1 A request for access to records held by Givaudan in terms of section 53 of PAIA must be made on a form that corresponds substantially with Form 2 of Annexure A to the Regulations Relating to the Promotion of Access to Information, 2021. A copy of the form is attached as Schedule A to the Manual. The request must be made to the information officer / deputy information officer of Givaudan at the address, telefax number or e-mail address specified in paragraph 2 above and emailed to global.dataprotection@givaudan.com.
- 6.1.2 The requester must provide sufficient detail on the prescribed form to enable the information officer / deputy information officer of Givaudan to identify the record and the identity of the requester. The requester must submit details of the capacity in which the requester is making the request and indicate whether the request is made in their own name or on behalf of another person. Proof of identity of the requester must be attached to the request if it is in their own name. If a request is made on behalf of another person or entity, the requester must attach proof of authorisation to make the request.
- 6.1.3 The requester is also required to indicate what type of record s/he/it is requesting and what form of access to the relevant records is required. Additionally, the requester must provide her/his/its contact details and indicate what manner of access is requested.

constitutes privileged information for legal proceedings, or that it is necessary to protect the research information of a third party or Givaudan itself.

6.1.7 If all reasonable steps have been taken to find a record that a requester has requested, and there are reasonable grounds for believing that the record is in Givaudan’s possession but cannot be found, or it does not exist, then the information officer or deputy information officer will, by way of an affidavit or affirmation, notify the requester that it is not possible to give access to that record.

6.1.8 The information officer/deputy information officer must, if a request for access to a record is granted or refused, inform a requester of her/his decision and the fees payable.
