

Global Quality Policy

Givaudan
Human by nature

We commit to both our own success and that of our customers by:

- Placing their quality needs at the heart of everything we do.
- Supplying products and services that meet all agreed requirements and applicable legislation.
- Continually improving our quality management system, our quality performance and our good manufacturing practices.
- Engaging our employees and our suppliers in our relentless pursuit of excellence.

APRIL 2025

Antoine Khalil
President Taste & Wellbeing

Maurizio Volpi
President Fragrance & Beauty
